Case  
Crown Lands

Sir,

The error in the Patent issued to Wm Ekford - recently returned by you - was occasioned by your <sup>omitted</sup> having, in your return of sale, to describe the lot; another sale for a like reason having been entered against the E/s of No 10 in 1<sup>st</sup> Con: West of Muskrat Lake, in the Township of Westmeath.

I have to request in consequence to be informed of the situation of lot No 10; the east part of which you sold to Daniel Shaw, on

Civ. 1842?
