List to Agent S. Aug 1870

Crown Lands Agency,

Pembroke,

1st August 1870.

Sir,

Mr James Corrigan of the Township of Westmeath has applied to me to be allowed to purchase lot 14 in the 8th Con. East of Muckrab Sake, Westmeath. The lot is not on the list of lands for sale, nor have I anything in my possession showing the position of the lot and am therefore unable to comply with the applicants request or give him any information concerning the lot. Mr Corrigan assures me that the lot is unimproved and unoccupied and that he can furnish affidavits in support of his assertion.

Would you be kind enough to cause to be ascertained the position of the lot and if unsold authorize me to sell it to Corrigan at the same rate as other lands in the same Township.

I have the honor to be

Sir

Your obedient servant
James Moffat
Crown Lands Agent
