18th Sept 1881.

Sir,
Mr George Redner is
desirous of the opportunity of purchasing
Lot No 5 in the 4th & 5th Westwards
from Long Lake. At his request
being in that vicinity on the 31st
of October last I inspected the lot.
It is unimproved and unoccupied.
Soil good but stony covered with
a mixture of hard wood & pine, the
former predominating. It is in an
out of the way position.

Recommended its being put to sale
by public auction at the highest price
of five shillings per acre.

Yours truly
C. J. Deane
