Enclose plan & descriptions

Metmouth 9<sup>th</sup> July 1874

The Honorable the Commissioner of Crown Lands  
Herts

Sir,

I have to request you will send instructions to have me furnished with copy of the original maps, bound maps and Surveys defining Lots No. 12 and 13 in Metmouth 23 Concession of the Township of Metmouth in the County of Sussex to the Registry Office for the County of Sussex. Lot No. 12 is described as being patented 27<sup>th</sup> February 1856 containing 112 acres; Lot No. 13 patented same day containing 112 acres.

On the 11<sup>th</sup> February last a patent was issued in favor of Mr. Haro Brown for "the Sea part of Lot number Fifteen in the Metmouth 23 Township of Metmouth" 25 acres. Mr. Brown claims that this patent covers part of our Lot No. 13. I wish to have the matter decided at once, and to enable me to do so I would require to be in possession of the description of the land and boundaries and any other particulars respecting them which may be in your Department. With such information I would then have the land ran and thereby prevent disputes hereafter.

Your compliance with my request at your earliest convenience will much oblige, Sir

Your obedient servant  
Alexander Brown
