SUGGESTIONS FOR SECRETARY-TREASURER

The Secretary-Treasurer should keep a Minute Book to properly record the proceedings at meetings of the Board of Trustees, and a Cash Book. He should exercise care to classify expenditures in accordance with the following schedule:

- Cost of Instruction—Actual payments made for salaries and expenses of Inspectors, Supervisors, Principals and teachers (regular, supply and special).
- Cost of Instructional Equipment—Pupils' supplies, teachers' supplies, text books, library books, maps, blackboards.
- 3. Cost of Administration—Administrator's salary and expenses, Secretary-Treasurer's salary office supplies and expenses, attendance officer's salary and expenses, upkeep of administration buildings expenses of Principals' offices in schools, clerical assistance, Auditor and legal fees, expenses for O.E.A. and Teachers' Institutes, interest on temporary loans.
- 4. Cost of School Plant Operation—Salaries, expenses and supplies of caretaker, engineer, fuel, gas, water, electricity, telephone, rent.
- 5. Cost of School Plant Maintenance—Repairs to buildings and care of grounds, repairs and annual additions to school furniture, bookcases, etc., care of portable buildings, temporary class rooms, insurance
- 6. Cost of Auxiliary Agencies—Medical, dental and nursing services, student organizations recreational equipment, transportation of pupils, school fairs and exhibitions, hot lunches, contributions prizes, scholarships, medals, cadet corps.
- 7. Repayment of Temporary Loans—This refers to principal only. A renewed loan should not be re-entered. Interest on temporary loans and charges for renewal are considered costs of administration.
- 8. Capital Outlays—Expenditure for sites, new buildings, extensions, alterations, new equipment for school plant, grading, fencing, concreting.
 - 9. Capital Charges-Debenture instalments, sinking fund deposits.

To facilitate the proper entry of expenditures it is suggested that the Secretary-Treasurer rule his Book in accordance with the following form, and enter each expenditure at the time it is made

business later. Gradually the number of families diminished in the section and after the school was built for about twentyfive years the ratepayers decided that the school should be shoved to accomodate the pupils. Most of the people lived near the back line so they tore down the first building and built it up again at the corner of the lots of Mr. arthur Hennessy and Mr. Wilfred Lamothe. This was about another shile from the main road. This building remained here for about ten years and then the ratepayers tore it down again and moved it back out and built it right near the main road where it stands to day. It is about four miles from the village of Histmeath. It was moved this time also to accomodate the pubils Both times it was rebuilt at the expense of the rate-Since the school was built here it hasbeen lined inside and the ceiling has been raised. The first desks and seats were double but eight years ago they bought lifteen of the New Empire Model I' Chair Docks which have greatly improved the inside The school is very well campbed for a rural school. He have equipment for Fifth Classalio. about two years ago the School Board installed twenty volumes of the Books of Knowledge. There is a fairly good library. The inside of the School laster bedicheted. The walls are left grey in colour.
Thout eight years ago the log building was classon to and two years agoit was painted brown and cream. This year they degasted and put in an Iron purposed or which the board received a grant of thirty dollars. It the present time there are not nearly as many families living in the section as when the school was first built. There are pupilsattending school from five families, there beingtwelve pubils enrolled this year. The present School Board is made up of xecretary Treasurer Mr. norman Reid and the three trustels Mr. Mapolion Gratton Mr. Anthur Hennessy and Mr. Robert Vizina. Iney M. Pappin. Sept. 1937. The new trogramme of Studies for grades 1 to VI was introduced.
